🎓 Qualified IB Tutor | Master of Science in Chemistry

Hi, I'm Larry from the USA. With a passion for Maths and Science, I've been tutoring IB and IGCSE students for several years. My sessions are engaging, practical, and tailored to each student's unique learning style. I take pride in helping students not just improve their grades, but also build a genuine interest in these subjects. Let's excel together!

Teaches: Maths Chemistry Computer Science

Curriculum: IB IGCSE GCSE

Qualifications

University of California, Berkeley: Bachelor of Science in Computer Science (2018)

Massachusetts Institute of Technology (MIT): Master of Science in Chemistry (2021)

Certified IB Mathematics Teacher: Certified IGCSE Science Teacher

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

I have been tutoring for over 6 years, specializing in IB and IGCSE curricula. My journey started in college, where I assisted peers in understanding complex Computer Science and Chemistry concepts. After completing my Master's, I transitioned into full-time tutoring. I've worked with students from diverse backgrounds, adapting my teaching methods to fit their unique needs. My goal is to make learning enjoyable and effective, whether through breaking down difficult topics or providing real-world examples to make abstract concepts more tangible. I've successfully helped students achieve top grades in their exams, and I'm dedicated to continuing that success with every new student I take on.
